Deleum's unit wins Petronas Carigali award

DELEUM Bhd's unit, Deleum Primera Sdn Bhd, has bagged the provision of painting and alternative blasting contracts from Petronas Carigali Sdn Bhd. Values of the contract was not disclosed. The contracts awarded were for Package B (sponge jet blasting) and Package C (bristle, wet abrasive and vacuum blasting) for Petronas Carigali's Peninsular Malaysia, and Sabah and Sarawak operations. In a filing to Bursa Malaysia yesterday, Deleum said, the contract value depended on the agreed rates and the work order issued by Petronas Carigali for the duration of the contracts. The duration of the contracts is for two years effective Nov 18, 2014, with the option to extend for an additional one year until Nov 17, 2017.
