## Deleum unit wins Petronas Carigali deal

2013/07/23

**KUALA LUMPUR:** Deleum Bhd's subsidiary, Deleum Oilfield Services Sdn Bhd, has secured contracts from Petronas Carigali Sdn Bhd and three other parties to provide slickline equipment and services for production sharing contract operators.

It said the equipment and services offered would support PSC operators' drilling programmes and production operations.

The contracts are for five years and the first took effect on June 13.
