Deleum Bhd recorded a 25.5% hike in pre-tax profit to RM92 million for the financial year ended Dec 31, 2014 versus RM73.3 million registered in 2013.

“The increase in pre-tax profit was largely due to higher segment results from oilfield services, as well as, power and machinery segments,” said group managing director Nan Yusri Nan Rahimy in a statement.

The company posted a 37.5% increase in revenue to RM657.3 million, from RM478 million registered previously.

Deleum declared a second interim single-tier dividend of 5 sen per ordinary share payable to shareholders on March 26.
