► Deleum gets aftermarket turbomachinery maintenance services contract from Petronas

DELEUM Bhd's subsidiary Turboservices Sdn Bhd has bagged a contract from Petroliaam Nasional Bhd (Petro-nas) to provide aftermarket turbomachinery maintenance services for Solar Turbines Inc's gas turbines in Malaysia. Without giving details about the income that the contract will generate from it, Deleum said in an exchange filing that the contract will have a positive impact on the earnings of the company. The contract which starts from Sept 17, is valid for a period of seven years and can be renewed after the period is over, it added.
