### Deleum to buy Rotary for RM11m

OIL and gas services provider Deleum Bhd plans to buy Rotary Technical Services Sdn Bhd, a rotating equipment service provider, for RM10.68 million. Deleum, via unit Delcom Services Sdn Bhd, signed a conditional share sale agreement with Rotary Technical Services yesterday. "The proposed acquisition will provide a good opportunity for the group to expand its current service capability in the oil and gas market," Deleum said in a filing to Bursa Malaysia.
